

Day 16: Election of the General Superior

Morning prayer was prepared by the sisters of the Nava Jeevan Province to introduce the delegates to an important day - the election of the next General Superior. A passage from the first book of Samuel about David's election enlightened the reflection. Images of cracked clay objects helped to detect some feelings and to confirm that a person cannot have all the gifts and talents, that each one must face her personal challenges and must accept others with their differences.

The delegates continued the morning in an atmosphere of silence, prayer and sharing.

At 3:00 p.m. **Sr. Judy Donovan** was elected as General Superior. Joyfully, the sisters congratulated her. Several photos of Judy, surrounded by various groups of sisters went out rapidly to the Provinces, Regions and Sectors to announce the good news to all the sisters.

The reflection will continue in preparation for the election of 3 councilors. The day ended as we joined the Valpré community at 6:30 p.m. for the Eucharistic celebration.
