

Day 3: Life continues to pour forth in us today.

We started our day with a prayer prepared by the St. Joseph Province of India:

"...Whatever you do for the dear neighbor, do it with the same feeling of devotion and of charity as if you were doing it for the very person of Jesus Christ." (Maxim 49)

Let us continue in a listening attitude and journey into the realities of our Provinces, Regions, Sectors: graces, dreams, weaknesses, challenges

We shared the life of the Nava Jeevan Province of India, Province of Mexico/Hondouras, Maine Sector, Lebanon Sector, Saint Joseph Province of India

Reports were focused, clear, rich and full of life.

Thank you to all the sisters, associates, friends, the entire Family of St. Joseph. Thanks to them, life always springs from our Charism.

Then, we welcomed Elena Lacida, from Uruguay (South American country). Inspired by Liberation Theology, she has been trained in Economics and is in continuous search of the links between Economics and Theology. For her, Economy is a way of entering into relationships: it carries within it a relational capacity.

Then each one ended her day with a time of personal prayer to review the life and mission of our Congregation heard and felt through the reports of the Provinces, Regions and Sectors...

*"The sense of justice, essential to our mission of communion in today's world,
must permeate our action and our whole life."*
