DAY 5

On Sunday, we celebrated Mass with the local community of Valpré and enjoyed a free morning.

At 2:00 pm, we gathered to listen to the General Council's report presented by Sr. Catherine Barange, Superior General and her council: Sr. Line, Sr. Lilly, Sr. Rosa Maria. Then we took a moment to express our reactions and ask for clarifications.

The animators invited us to a time of personal prayer with the Risen Christ who joins us today as we ask for the grace to have a grateful heart for all that has been lived and a heart that recognizes His presence having led us throughout these years.

We then gathered in small groups to share the fruits of our prayer. The day ended after the Assembly had expressed their feelings and comments regarding the General Council's report.
