Day 7: Recognize and Value the Mission of the Laity

The Province of Nava Jeevan led us in prayer to begin the day.

As a symbol to create bonds and friendships, each one received a bracelet prepared by the street children of Nava Jeevan.

“Come Holy Spirit, open our hearts to listen to your voice.”

Then, we gathered by province and region to reflect and present the status of the laity in our countries:

- ✓ Province of Europe
- ✓ Region of West Africa
- ✓ Province of Mexico/ Honduras
- ✓ pt and Sector of Lebanon
- ✓ Sector of Maine and Anglo/Irish Sector
- ✓ Province of Saint Joseph India
- ✓ Province of Nava Jeevan India

At 2 :30 p.m., everyone gathered attentively in front the screen for a Zoom meeting with the laity who represent all the teams involved with us in our provinces, regions and sectors:

- Mr. Philippe ANTONY: delegate of the school supervision in France.
- Mrs. Chantal ORGERET: Representative of the administrators of our three Nursing Homes (EPHAD) in Europe.
- Mrs. Anne de Lapasse: Representative of the Jean Pierre Médaille Private Association of the Faithful.
- Mrs. Luna PAUL from India: Representative of the Associates at the international level.
- Mrs. Yolanda NAVARRETE OLVERA: Representative of the Family of St. Joseph in Mexico/ Honduras.
- Tony FREDETTE: Agrégée aspirant in Maine – USA.

Remembering the day, together with all the lay people whom we know, we ended our day with personal prayer. We asked the Lord’s grace to enlighten us on the future of our story with the laity.
