

*Life to the full...
Unfolding the founding grace...
Journeying together with realism and hope...*

DAY 8: GOD WILL TRACE A PATH...

With the Region of Egypt, we prayed Psalm 62 in the morning:

" My soul rests in God alone, from whom comes my salvation.

God alone is my rock and salvation..."

We then shared in small groups trying to see how God's Word will guide us on our journey with the Laity. In assembly, we gathered in a large circle with a listening attitude to seek the good of the Congregational Body and to share the fruits of our groups, of our prayers and of our reflections as we journey with the Laity's various forms of belonging and towards greater communion.

Afterwards, the small working groups began their reflections on the various themes to prepare elements for the writing of the Orientations.

In the afternoon, we had a good discussion on governance through the proposals of the P/R/S. We then entered personal prayer focusing on: "Many members in one body: good governance."

The day ended with Eucharistic celebration with the Valpré community.
